**LA-UR-XXX**

# Security Reminders

- Attendees will be required to ensure they meet the requirements for participation in secure WebEx including:
  - participation through secure WebEx application, and
  - control of other electronic devices at their location including cell phones, two-way pagers, etc.
- Discussions will be at the Unclassified Controlled Nuclear Information level
- No **CLASSIFIED** discussions

# Introduction

# Workshop Objectives

- This workshop will establish NNSA/LANL consensus on the planning basis for:
  - Updating the 2017 Life Cycle Cost Estimate (LCCE) pre-conceptual estimate by identifying the specific scope elements that will be included;
  - Identify the specific scope elements that will be included in the Line Item project – these scope elements will form the basis for developing the plan to achieve Critical Decision (CD)-1; and
  - Identify preliminary agenda items for the next PDP workshop.

# Welcome and Remarks

David Eyler

Associate Laboratory Director for Weapons Production

# Welcome and Remarks

Virginia Kay, NA-233

Assistant Deputy Administrator, Material Management and Minimization
